The energy conservation program from
PROVO CITY POWER

How Do I Get a Rebate?

- **Purchase a qualifying product.** Visit *www.SwitchItProvo.com* or call 801-852-6886 for a list of qualifying products.
- **Ensure your eligibility.** Please review the *Terms and Conditions* for more details on eligibility and other information. These are available at *www.SwitchItProvo.com*.
- **Complete the Application.** Upon determining eligibility, fill out this rebate application in its entirety (Incomplete applications and applications submitted without required documentation will result in delayed or denied rebates.) Applications must be received within 90 days of purchase or installation. Make a copy of application and documentation for your records. Applications can be faxed, mailed or delivered in person, with all accompanying documentation, to:

Provo City Power
ATTN: Energy Services
251 West 800 North
Provo, UT 84601
Fax: 801-852-6947

Applications can also be submitted online at *www.SwitchItProvo.com*. When completing the online application, you will need to scan and attach your documentation, uploading it with your application.

- **Processing.** Rebates can take up to six (6) weeks to be processed once your application is completed and approved.

Notes corresponding to next page of application:

- ¹ Customers are encouraged to check *www.energystar.gov* to determine qualifying appliances before purchasing and submitting the application form.
- ² Customers are encouraged to check *www.energystar.gov* to determine MEF or EF ratings.
- ³ The incentive will not exceed the purchase price of the product.
